PROFESSIONAL EXPERIENCE

Purchase & Supply Chain Engineer

Tempel Precision Metal Products India Pvt Ltd — Chennai

Dec 2024 – Dec 2025

Key Achievements:

- Improved outsourced vendor productivity and contributed to achieving +10% production targets.
- Reduced procurement cycle delays by improving PR-PO accuracy.

Responsibilities:

- Managed procurement of child parts, consumables, and outsourced processes — coating, plating, over molding, painting.

• Executed RFQs, supplier evaluation, negotiation, and finalized contracts.

• Coordinated outsourced vendors ensuring specification compliance, quality adherence, and OTD (On-Time Delivery).

• Processed PRs & POs with complete documentation in SAP/ERP.

• Identified cost-saving opportunities through alternate sourcing and negotiation strategies.

• Maintained procurement records for ISO, EHS, and internal audits.

Executive – Operations

Instant Procurement Services Pvt Ltd — Chennai

Mar 2023 – Dec 2023

• Generated enquiries through client visits and executed RFQ to vendor sourcing.

• Managed PR-PO conversion, P2P cycle, O2C follow-ups, and ensured timely delivery.

• Conducted material inspection and coordinated invoicing and receivables.

EDUCATION

B.E. Mechanical Engineering — RMK College of Engineering & Technology (2018 – 2022)
CGPA: 8.59

PROJECTS / ACHIEVEMENTS

• Improved outsourced part productivity and helped exceed production demand.

• Designed & developed a Battery-Operated Multipurpose Agriculture Vehicle (Mini Project).

TECHNICAL PROFICIENCIES

• ERP: SAP, Oracle

• Tools: MS Excel (VLOOKUP, Pivot, Lookup), Power BI, Tableau

• Other: Supplier Scorecards, MRP Planning, Audit Documentation
