About me

I am a design leader with 18 years of experience delivering user-focused, intricate digital solutions. My expertise lies in delivering pixel-perfect interfaces that align with both business goals and user expectations. With a proven ability to lead and mentor creative teams, I foster collaboration and drive high-quality outcomes across complex projects. A creative lead and UI/UX designer combines strategic vision with hands-on design expertise to deliver user-centric digital solutions across web, mobile, and print. This role involves leading cross-functional teams, ensuring all visual outputs are both innovative and aligned with business goals, and creating engaging, accessible interfaces that enhance user experience.
