PROFESSIONAL EXPERIENCE

Dec2025 - Present

Management Trainee (Logistics Operation)

V2 Retail Ltd.

- Managed **end-to-end logistics and dispatch operations**, preparing and analyzing **CLA, PRD, Vehicle Allocation, and Dispatch-in-Transit reports** to ensure zero pendency and on-time deliveries.
- Coordinated **vehicle allocation, route planning, and transporter operations** to optimize load utilization and improve dispatch efficiency.
- Monitored **in-transit shipments through ERP/SAP systems, tracked delivery performance**, and resolved delays by coordinating with warehouse and logistics partners.
- Supported **MIS reporting, SOP compliance, and continuous process improvement** initiatives to enhance operational efficiency and cost control.

May2022 - Sep2024

Senior Executive

Infiniti Retail Pvt. Ltd || 3rd Party ||

- **MIS Reporting, Inventory & Logistics Data Management:** Generated and analyzed SAP/STO and WIN-SAP reports to support dispatch planning, inventory accuracy, shipment tracking, and logistics performance.
- **Manpower Planning & Warehouse/Logistics Coordination:** Planned manpower and shift schedules based on outbound volume, inventory workload, and logistics requirements to ensure smooth warehouse and dispatch operations.
- **Order Tracking, Inventory Control & Logistics Coordination:** Managed order flow, inventory allocation, and logistics execution across Home Delivery, Store Delivery, and E-commerce channels to ensure timely and cost-effective dispatch.
- **Team Training, SOP Compliance & Process Improvement**: Trained teams on SOPs covering inventory handling, logistics processes, and safety standards while resolving operational and delivery-related issues.
- **Performance Monitoring, Inventory Reconciliation & RCA:** Monitored daily reports, tracked inventory variances and logistics delays, conducted root cause analysis, and implemented corrective actions to drive continuous improvement.

PROJECT

Infiniti Retail Warehouse Relocation Project | Executive |
JUNE2022 – AUG2022

- Managed the end-to-end relocation of Infinity Retail's warehouse, ensuring minimal disruption to operations.
- Coordinated logistics, inventory transfer, and system setups, optimizing warehouse layout for improved efficiency.
