LIKHAR ENTERPRISES – Procurement & Inventory Coordinator Apprentice 01/12/2024 to 01/05/2025

- Managed end-to-end material procurement and inward coordination, ensuring timely availability of raw materials, consumables, and packaging for uninterrupted operations.
- Verified incoming materials against purchase orders, specifications, and quantity to ensure accuracy and compliance with requirements.
- Maintained accurate purchase, stock, and vendor records in ERP and Excel to support traceability, audit readiness, and inventory accuracy.
- Coordinated closely with stores, quality, and suppliers to resolve delivery delays, discrepancies, and material issues.
- Supported inventory monitoring activities, including tracking stock movement, shortages, and replenishment needs.
- Assisted vendor onboarding and evaluation based on reliability, lead time, quality consistency, and cost efficiency.
- Contributed to process discipline in a Lean environment, ensuring organized material handling and adherence to operational standards.
- Supported purchase order creation, documentation, and follow-ups to ensure on-time delivery and smooth supply flow.

EdTech Startup project - EuLearners

Developed an AI-driven platform for personalized one-on-one live student-teacher interactions, with the aim of solving students' problems and make best suitable teachers available in the right cost and time with the help of the application platform

Created an AI-based matching system and dynamic pricing model to address gaps in traditional e-learning.

Awarded for innovation in improving educational access and engagement for underserved markets
